## APRIL 2005:

The meeting on the 30<sup>th</sup> of March was brought to order by the President. I think 9 members were present. Craig's elephant seal ride to Ano Nuevo was a great ride with zillions of live creatchers to ride and play with slow's that for a visual. Gretchin's whale watch was successful 9 bikes- 12 whales and lots of other ocean life. The Prez is working on stickers and license plate frames. Guess we'll have to figure out something to do with them little round sticky things. Over a grand in the bank. Allen fed us good food and great brew. Him's to all who made it. Paula got a new one- a 2003 V-Strom in yellow. Mike Green made it to town for a couple days in March. If you missed it you missed a good one.

Death Valley ride will stay Friday night in Kernville, Sat night in Furnace creek, Sunday in Ridgecrest, Monday home. Craig will lead this ride. Ride starts at Jerry's in Hollister 8:30 breakfast contact Craig at 510-469-7250 for further info. Check the web for details.
