MEETING MINUTES DECEMBER 2004:

Tom, Doug, Wendy, Keri, Earl, Craig, and Da Prez showed up. Gretchen opened an informal night with new bikes reported by Wendy, Earl, and Lisa. Should have been there for the details. Rides included Craig and Keri's free Christmas tree /toy ride, a couple of dirt rides in preparation for the up coming desert trip and Gretchen's 105mph fly by on 680 with a brief slow down for the chipies. New business- Wendy has just worked out the details in preparation for assuming the ownership of mission Honda. She got a big HIM for that one. Dues are due and you know who you are. Next month I might list your names so hurry there is only a few single digit membership cards available. No treasure no money report. We need ideas for the awards dinner. If you would like a free dinner at the meeting on the 25th. Tell me the name of the young Lady and the make and model of the motorcycle she's riding while doing two burnout's and a stoppie in her recent music video. Hint- vanishing like vapor

Happy Holidays and great rides.
