Meeting & Rides & Lies

The meeting opened with 9 members and 1 guest present. Later that changed to 10 members when Josh Roper was voted in with a big HIM. Nominations were finalized and closed. The ballot is enclosed. The club dinner was finalized. Note change of date for the Prez's ride. She's a Lady and thus can change her mind when ever she wants. Rides—Windy lead her annual middle town ride. Craig did Baha for the 12th straight years and the S. Milton ride. Mike led 9 folks around the Mojave desert. Kari led a bunch of freaky people on her Halloween ride and gave out prizes. Doug did Pismo and some dirt on the Beemer. Josh did a rerun of the Halloween ride with some friends. Paula rode some south bay goat trails as her farewell ride. She bought a SV650 just because. Wendy bought Bruce a Gold Wing and traded her HD for an FZ so she could be the Geek in yellow and red now. She also reported the demise of her Supper motard. The one that was a mix and match of parts from every known brand of bike and a few kitchen appliances thrown in for luck.

Don't forget the ballot and dinner sign up
