or better yet come to the meetings and contribute

## July 2005:

The meeting opened with 9 present including 1 guests. The way cool new stickers are here and available at the meetings from Kari. Two bucks each. Membership for life was discussed again.

Rides--- Alan went to Chico for a beer conference and avoided the chipe in the sky. He continued into the Sierra's and then home with 1000 miles under this belt. Paula and her significant other visited the Hot springs after a snowball encounter. Camped outside Bridgeport and the ride home on Sunday made it a good time for Craig and Paula. Stoneford was visited by those dirt shredders Mike and Earl. A little dust, rain, mud, hill climbs and lots of grins. Mike continued up to Joel's for some duel sporting in Oregon. Memorial Day Ride in the Pine Nut Mt. Of Nevada was attended by Mike and Steve Martinez. Lots of trails, some snow, the town of Dayton, 8-9000 ft passes, and South to the Gardnerville area were the highlights. Oh yea! something about an Iron Man bike push through the snow too. The ride planing ride was attended by Craig, his better half, Doug and Josh. The Bee's down Paula's shirt attracted a lot of attention. Lot's of good roads with no tickets, no stings and no incidents except for a Ford Focus.

New Bikes--- Sadly none were reported. Maybe I'll have to give windy a visit and see what is on sale.

we have money according to Alan.

Come to the next meeting for all the details
