June 2005:

The meeting opened with 14 present including 2 guests. The Prez broke a toe or two and was unable to attend. Membership for life was discussed and tabled till the next meeting for further discussion. Keri is still working on the license plate frames and has the new stickers in hand. Bob Pisani is helping a friend out with a benefit ride on the 9th of July. Call him for more details 650-347-2559.

Rides--- Bob and Ken (Port and Starboard) did some Oregon country near Ken's new home in Bend. They found Fossils, got lost and came home safe and sound. Paula did the dirt on a dirt bike for the first time thanks to Craig. The XR200 motored right up those hills at Carnegie and surprised them both. She says she is ready to do it again. Death Valley saw the threesome of Alan, Craig and Paula ride through for some sight seeing and the requisite triple digit run. They narrowly avoided a ticket. The key word here is avoided. Hims!! They visited Hells gate, Ballarat and more. Matt did a separate trip there and visited Charlie Manson's hide out near Ballarat. Glenn did the Go cart track in Stockton on his KLR650. Those low slung carts must be slight bumps for the suspension on the KLR. Could this be a new sport -cart squashing- Glenn? Lisa and I had a great 400 plus mile day with a better brunch at the Ahwahnee - perfect day!

New Bikes--- Jim Carnes - a vintage Ty250 and a KTM-LC4. Kari with the ouchie on the toe got a KLR 650. Money money money we got it according to Alan. Come to the next meeting for all the details
