## Meeting & Rides & Lies

The meeting opened with 8 members and 1 guest present.----The LIST has changed to the old format were all replies go back to the LIST not the sender.-----We a looking to have another meeting at Anchor Steam Brewery soon.----The ride to Lassen lead by Paula was attended by Gary and Craig. Seems Gary was waiting at a different Denny's and Craig did the double yellow two step and got caught by the Law. Great food, wine, and beer. Saturday was a dirt ride on Jeep trails. --- Lesa got out of two tickets by CHPy's on bikes. She's soooo good when she's soooo BAD. Just makes me want to spank her. Maybe at the new house warming we could all have a spank?---- The Sonoma ride saw Doug, Gary, Kari, and Mike do some good food except for the vulcanized omelet. Ink Grade Rd. was the highlight, Skaggs Springs Rd. was the race track and the coast was just plain foggy. Kari did a solo ride home on Kings Ridge and a goat trail. She's getting so duel sport ya know. 300-400 miles were had by all.---- Mt Hamilton! There were pigs, turkeys, big ass telescopes, a country party at the Junction, 9 on bikes and some night riding practice.---- Mike did the Gather in Idaho with Joanne on her new scoot.---- Joe Volpe has been spotted rounding up all the Locals to act as his minions in Enterprise, Or.---- Joel buck and his new wife were seen in Cave Junction with a wheel barrow full of money. What up with that. More to come on the adventures of Joe and Joel. -----Oh yea the Pig is getting 50 mpg now according to His Fisheness.
