Catfish test drove Wendy's new WR250 by wheelieing it through the neighborhood. If you didn't make to Wendy's movie showing of Take to the Limit you missed Mert Lawell, Brad Lacky, Joe Lenord in person and more celeb's. It was such a great time for me. I hope Wendy dose it again. Doug met the Russian that is traveling around the world on a bike. If you recall Jim C. met the same guy a few weeks back. Here is the kicker the guy has no hearing. A few members made it to the Ice Races in Oakland and said they were very good. It was mentioned that Doc Wong is putting on another dirt riding school. If you want all the details they are free for the taking at the meet. You should have been there. There is talk on the list of changing the meeting night, a road trip to Colorado and a fund raiser for a worthy cause. You need to come to the meetings so as to help with the decisions.
