CLUB MEETING MINUTES: WEDNESDAY MAY 30TH 2007

S.F. Northstars Meeting - in attendance were Craig, Laurel, Glen, Doug, Gino, and Allan. Old Business: didn't recall much and the Word Steward wasn't around to help us out. Craig's Full Moon Ride will be open to the public. Fliers are in the works. Starting point will be at Fremont Honda Kawasaki, where they will donate food for the ride. Then a ride up Mount Hamilton, dessert at the summit (what happened to dessert first?). Those not comfortable riding the backside at night can drop back down to San Jose. Kari can't do her June 10th ride, but will reschedule possibly in August. Catfish raised a few eyebrows with his posting of a Tri Sport Ride for June 24. New Bikes: none, but Kari did some comparison shopping at the Loon Campout, should be a new blue machine in the garage soon (the SV is still making tired noises). Wade Boyd is at the Isle of Mann - less bike. Hopefully something develops for him. Upcoming Rides: Laurel's Northbay Ride only had two takers, herself and Craig. No tickets, no crashes. They took Lucas Valley Road as far north as Myers Grade. No stops at the AMA races, but they did stop by Ben's place in Sebastopol and noted he had an awesome wood shop. The Loon Lake campout had Craig, Laurel, Earl, Kari, Ben, Glen, friends John, Mark, Sue, Jason, Rabecca, and Chuck. Craig grabbed a couple of campsites Thursday before the three day weekend. Campsite was the 3rd choice location: Gerle Creek, which was probably better, though, but we had to drive/ride to other riding spots. The booze was not lacking, three tequilas (ranging from jugs down to half-size bottles), much wine and a case of Hoegaarden. Great food! Earl brought his new yellow Jeep. After doing some rock crawlin, he found his ride missing a few critical bolts, and nursed her home. Craig and Laurel rode part of the Rubicon. Craig almost got stuck in a puddle that was fender high. Laurel wisely didn't follow.

Glen, John and Mark did a few passes on Wentworth Springs Road. They had a good ride coming up out of Placerville on Mosquito Road, with one dirt section. Gino was in Australia for business/pleasure. No riding, but he did see rental bikes near Sydney (passenger only). Doug had done a Beaches Tour of the Alps. This time he did a group ride out of Florence on a 1200 GS and roughing it at 4-star hotels. A good time was had by all. One first timer with Beaches had such a good time that he signed up for the next ride too to the Isle of Man and sent his girlfriend home so he could do it alone. Craig has stickers for any members who didn't get theirs.
