2008 San Francisco Northstars Motorcycle Club Officer Volunteers

President – Glen
President of Vice – Wendy
Treasurer – Gino
Ride Steward – Mike (Catfish)
Word Steward – Laurel
Web Steward (Web Slut) – Catfish

CLUB MEETING MINUTES: WEDNESDAY NOVEMBER 28TH 2007

The meeting opened with 5 members and 1 guest. In attendance were Laurel, Glen, Jim, Wendy, Josh and Bob. Volunteers were discussed for 2008 officers, and the following people stepped up: Prez – Glen; Prez of Vice – Wendy; Word Steward – Laurel; Ride Steward – Catfish; Treasurer – Gino; Web Slut – Catfish. Further discussion would volunteer Earl for trailer liaison and Catfish for historian.

Glen brought photos of Wendy #19 racing in Dixon – how cool that her green leathers match her bike. After insisting that she never slides through the corners, she was shown video footage proving otherwise during a recent race. Jim test-rode an electric scooter that his tree hugging business partner is considering, as well as a 990 KTM Adventurer! After enjoying both, he said of the KTM “a hedonistic overkill of power...” Glen rode down to LA to photograph the AMA Supermoto Finale and enjoyed a “spectacular” after-party in the casino’s bar! The ride down Friday night was frigid, but he made time to ride Hwy 734 out of Palm Springs and Hwy 243 through Idlewild on the return trip. Laurel conducted some business in Vegas, and found time to rent a Dyna Glide Low Rider and putt through the Valley of Fire. Jim had a “hellish” (i.e., fantastic) commute between jobs recently which included Bolinas Fairfax Road into Mill Valley, Tiburon, etc. Bob has taken a few rides with Pashnit – and found them great (N. Calif.; Central Calif.; Calif. Foothills). Jim re-counted a past trip where he leant Ray Roy his F2 to ride, complete with newer tires which were toast by the end of the day.

Jim proposed a trip to Rocket Ranch for the 2008 calendar. He will research dates and times. Upcoming events include the Annual Dinner on January 12th at Delancy Street, Supercross on January 26th, and the annual Two-Mountain Ride on February 3rd.
